Program Book Tribute Ad

Included in sponsorships

The program booklet serves as a memorable keepsake for each of the event's more than 200 attendees. When you place a tribute ad in the program book, you will be actively building up the 'culture of life' by supporting CPCI's life-saving work, while positioning your brand as a trusted partner in the pro-life community.

The program book is a great way to send a personal note or tribute to CPCI in honor of its 50-year legacy.

Ads requested by **January 12, 2024** as a high resolution png, jpg, or PDF file.

Be part of the

Legacy of Life

What started as a volunteer-run ministry in 1974 has since grown into the largest system of pregnancy centers in the state of Florida. With five medical clinics and two mobile medical clinics, CPCI is leading the field of pregnancy and reproductive healthcare in the Sunshine State. Serving women with the compassionate care they deserve, CPCI has saved over 21,000 babies.

CPCI's Sarasota clinic first opened its doors on June 9, 2017 and within a few short weeks, more and more young women were finding their way to the "little, grey house" located in the shadow of Planned Parenthood's Regional Headquarters. Since 2017, the clinic has become a beacon of hope in the heart of downtown Sarasota.
